

## ACTIVITY 10

# Scavenger Hunt

<b>Season</b>	All
<b>Site</b>	All
<b>Age Group</b>	All
<b>No. of Children</b>	Any

**Equipment Needed:** Bag to put finds in,  
list of items to be found.

### Safety Notes

Safety points to note – Instruct children not to pick berries, not to pick up man-made litter or dog foul, to be aware of the terrain and not to wander out of sight and ear-shot of the group

### Site Conservation Notes:

Instruct the children not to pick wildflowers, minibeasts or other items that could damage the wildlife of the site.

### Instructions

1. The children are split into teams, or this can be done as a solitary activity or in a family group.
2. Each group is given a scavenger hunt sheet listing items to collect plus a collection bag.
3. They then need to find each item, or as many as possible in an allocated time, from the list.
4. For seasonal scavenger hunts, please see [www.naturedetectives.org.uk](http://www.naturedetectives.org.uk)
